WELCOME TO MARKET LAVINGTON

Sitting in the village of Market Lavington at the heart of Wiltshire, Market Lavington is a friendly 79-bed care home offering residential, nursing, and dementia care.

With a choice of sitting rooms and dining areas, residents have options for relaxing, dining, and socialising. Our comfortable bedrooms and living areas are all easily accessible by wheelchair. We have an in-house hair and beauty salon for a spot of pampering, and a patio area where residents can enjoy some fresh air with loved ones.

FACILITIES & LIFESTYLE

Personal care plans consider unique medical, personal, and dietary needs, as well as preferences, hobbies, and anything else that can make a stay with us a happy one.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things can often matter most, which is why our team help residents create a routine that brings them joy.

Market Lavington offers a fun, safe, and inclusive home from home for our residents, where quality care and kindness go hand in hand.
